

We are delighted to announce that the 6th Edenbridge Motor Show is to be held on Sunday 8th September 2019, organised once again by the Eden Valley Chamber of Commerce.

The show will be centred on static vehicle displays of clubs or individual entrants featuring Classic, Customised, Veteran and Modified Cars, Motorbikes and well as Military Speciality Vehicles. In fact, any engine driven transport or equipment.

There will be activities for adults and children on the day, including: An extensive Food Court, Monster Trucks, Auto and Craft stalls, plus static displays. There is also a stage featuring live music all day for your entertainment and the ever popular beer tent.

All those involved in Car Clubs who are interested in taking part can register their interest by completing the Entry Form on page 2 of this pdf together with any interesting details about their vehicles that we can use as part of our publicity. We will liase with you as the position for the clubs vehicles and joining instructions a week before the show to help make organisation go more smoothly on the day. We would appreciate it if one of your members can attend a briefing in the first week of September.
